

Access and Equity Services (AES) Trainer Confidentiality Agreement for Canine Assessment

I understand that, pursuant to the Animals on Campus policy and related procedures, animals are required to undergo a canine behavioral assessment completed by a university approved trainer for the purpose of the accommodation of a service or emotional support animal on the University campus.

By signing below, I understand and agree that information received during the arrangement of or performance of a canine assessment at the University may be confidential or personal in nature and may be protected by *The Local Authority Freedom of Information and Protection of Privacy Act* and/or university policy and must be maintained in confidence.

I am not to share any information regarding the client or the assessment with any person or department outside of Access and Equity Services (AES) at the University of Saskatchewan. All copies of the assessment will be stored with AES and I will not keep a copy of the assessment for my own purposes.
