

It is the expectation that all members of the USask community be vaccinated against COVID-19. Vaccination is the single most effective public health measure to reduce spread and prevent harms of COVID-19 in our community.

As of January 4, 2022, anyone accessing our campuses will need to show proof of full vaccination as defined by the university. This form should be filled out by any student registered in Winter 2022 classes to request an accommodation on the basis of creed or religion.
