

Transcripts are an official, complete and unabridged listing of a student's educational record at the University of Saskatchewan as of the day the transcript is produced. It is the student's responsibility to ensure that their record is complete to their satisfaction prior to ordering transcripts. Students should confirm through PAWS that all grades for their classes have been reported before placing a transcript order. Please also note that degrees, diplomas and certificates do not appear on transcripts until after Convocation. Allow **three working days** for transcript production.

## Please Note

- Payment must accompany your request. Please make your cheque payable to the **University of Saskatchewan**.
- The fee for transcripts is non-refundable.
- Transcripts will be held until all outstanding accounts with the University of Saskatchewan are paid.
- Most universities require your transcripts be forwarded directly from the University of Saskatchewan.
- The University of Saskatchewan will not be held responsible for meeting deadlines or ensuring delivery.
- Transcripts will not be released to a third party without your authorization.
- Photo identification is required to pick up transcripts.
- Effective March 1, 2014, the University of Saskatchewan will no longer include Saskatchewan Polytechnic and FNUC transcripts for the Nursing Education program of Saskatchewan (NEPS) students. If you were part of the NEPS program and you require transcripts, you will need to order transcripts separately from both the U of S and Saskatchewan Polytechnic or FNUC.
