

Spring 2020

To stay safe during the COVID-19 pandemic, we could not celebrate the graduating class of 2020 together in person. That didn't stop us from recognizing graduates accomplishments in other ways. On the graduation celebration website, congratulatory messages were posted from important leaders—from the university's chancellor and president to representatives from each college and school. The celebration site, also included a list of graduates, and to help celebrate, posters, lawn signs, and GIFs were available. #USaskClassOf2020 was the hashtag used by those posting about the 2020 graduation celebrations.

We are in an unprecedented time, but that does not overshadow the achievements of the graduating class of 2020. In lieu of a graduation program, the following information is the official list of class of 2020 graduates.
